

# **Large Scale Biosphere – Atmosphere Experiment in Amazonia**

## **LBA-ECO 11th Science Team Meeting**

### **September 26-28, 2006**

### **Salvador**

# Meeting Goals

- Exchange Results and Plans
  - 12 Plenary Talks
  - 53 Talks, Parallel Sessions
  - 48 Posters
- Support continuing synthesis activities
- Plan publication of synthetic results

Mosaic of South America from MODIS on Terra

# Meeting Goals

- Data Sharing and Archival
  - Nearly all LBA-ECO data sets archived by the end of 2007?
  - This is our legacy...
- Publication Planning
  - Synthetic Papers
  - Books
    - Human Dimensions
    - Agriculture Synthesis
    - LBA-IGBP Volume

**Wednesday – AM**

**September 26**

9:00

Opening Plenary

10:30

*Coffee*

11:00

Plenary 1

12:30

*Lunch*

**Wednesday – PM**

**September 26**

14:00 Posters

16:00 *Coffee*

16:30 Parallel Oral Sessions 1

Remote Sensing and the Carbon Cycle

Chemistry of Streams and Rivers

Regional Hydrometeorology

18:50 *Adjourn*

## Thursday - AM

September 27

9:00 Plenary 2

10:40 *Coffee*

11:10 Synthesis Break-Outs/ Poster Session

PIRE

Saleska

Agriculture

Melillo

Land-Water Coupling

Richey

12:40 *Lunch*

**Thursday – PM**

**September 27**

14:00 Posters

16:00 *Coffee*

16:30 Parallel Oral Sessions 2

Evapotranspiration and Precipitation

Forest Dynamics and Disturbance

Regional Land Use Change

18:30 Adjourn

**Friday AM**

**September 28**

9:00 Parallel Oral Sessions 3

Trace Gases

Carbon and Energy Fluxes

Land Use and Fire

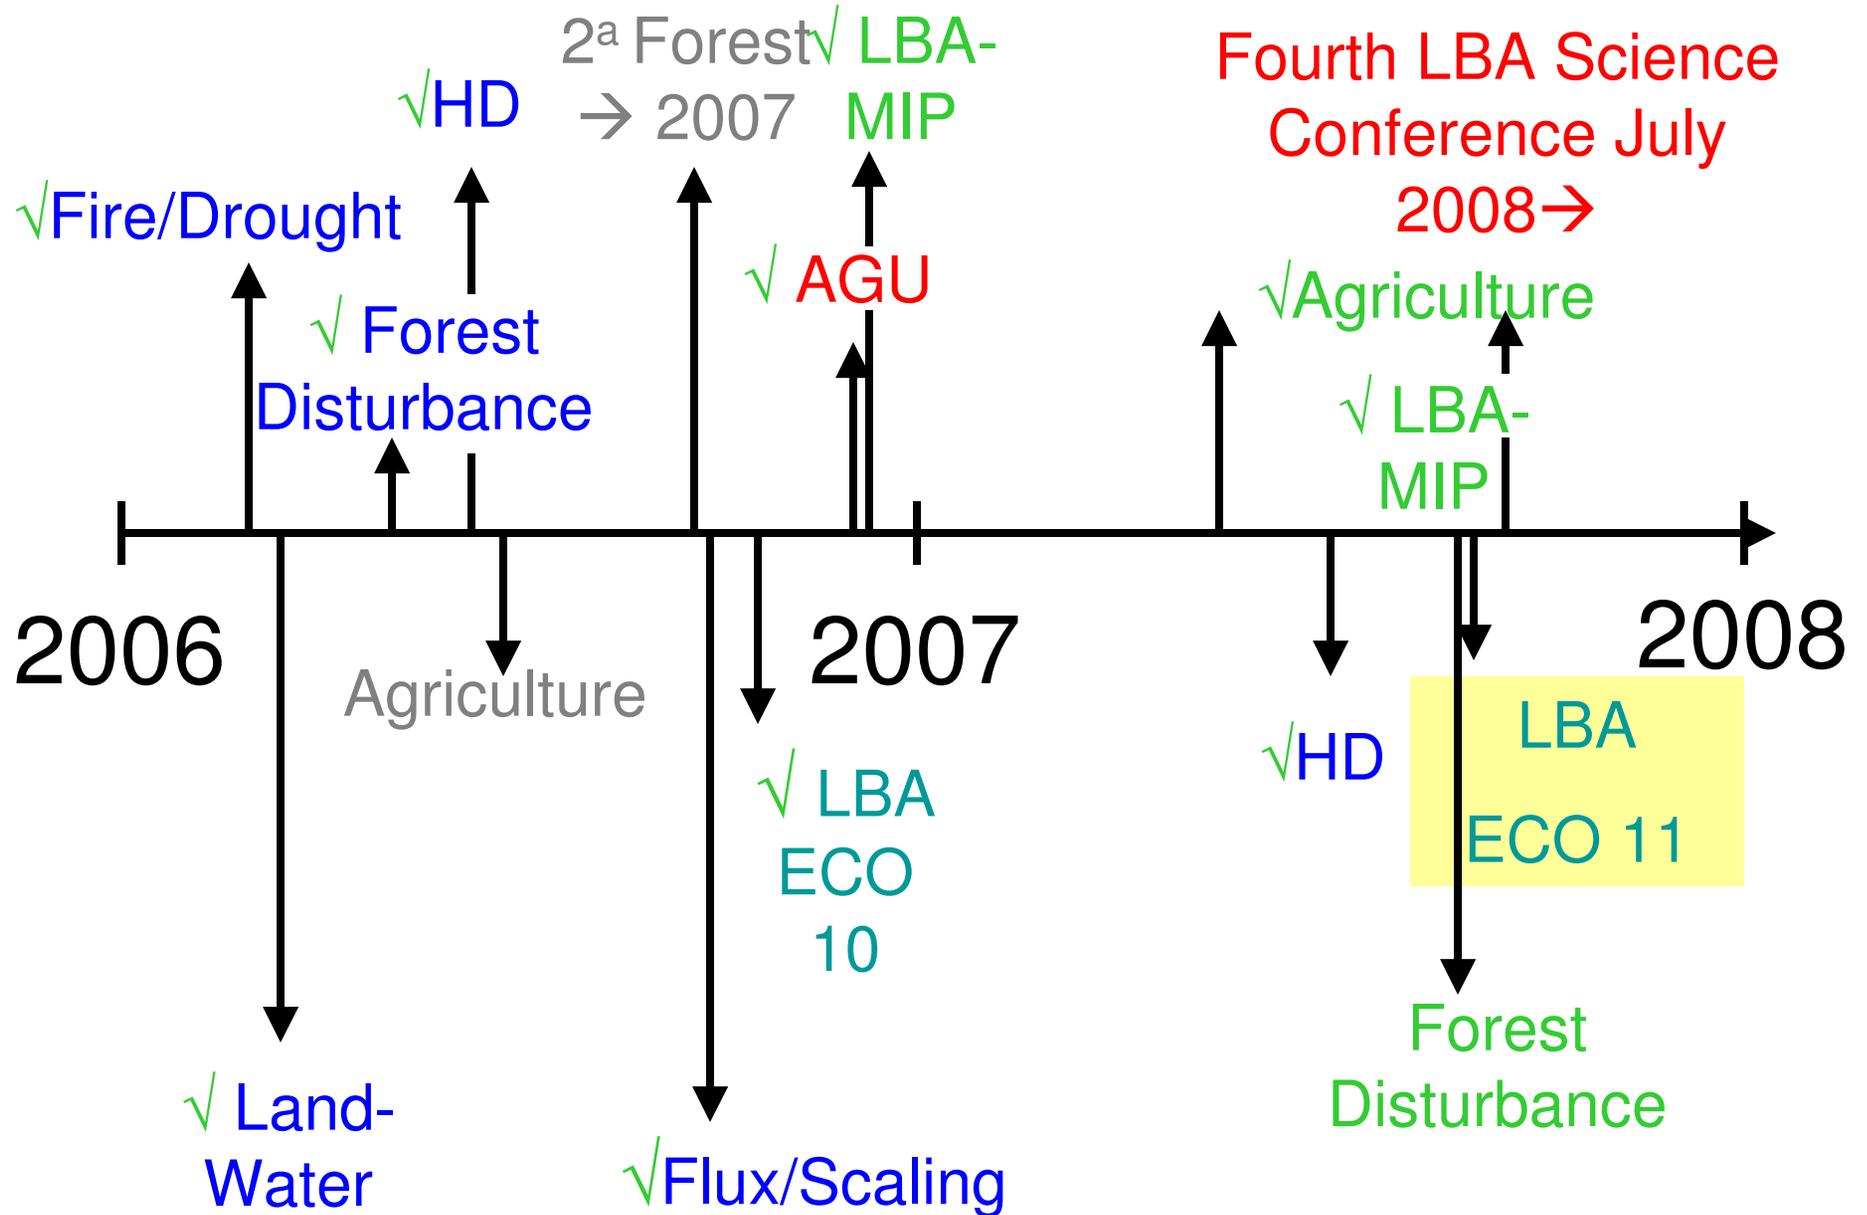

11:00 *Coffee*

11:30 Plenary 3

13:10 Closing Plenary

13:30 Adjourn

# Concluding LBA-ECO v 3.0

Time for reflections... What are the main accomplishments of LBA ECO?

- Time for reflections... What are the main accomplishments of LBA ECO?
  - An impressive publication list.
  - Valuable contributions to knowledge about the Amazon including practical tools useful for environmental observation and management.
  - A new populous cohort of well-trained students working in the Amazon region and elsewhere.
  - A carefully documented, archived, collection of data sets that will be used by researchers for at least a generation?

- Housekeeping
  - Please deliver your talks now!
  - Please put up your posters in the Floresta room
